

Dr. Jay Grossman Basic AK Certification Course

5 SESSIONS OVER 5 WEEKENDS IN TORONTO

Now in its ninth year, Dr. Jay Grossman's Applied Kinesiology certification course is designed to fit busy schedules. Avoiding key holidays, the course is conveniently offered in five weekend-long sessions from October 2019 - March 2020.

SESSION 1 Pelvis, lumbar spine, adrenals, inflammation.

SESSION 2 Lower extremity (foot, ankle, knee acetabulum, gait), spinal fixations, colon problems, detoxification.

SESSION 3 Cervical spine, shoulder, immune system, allergies vs. sensitivities.

SESSION 4 Cranial dysfunction, TMJ problems, glandular issues.

SESSION 5 Meridian therapy, lymphatic and visceral corrections, treatment protocol development, finding hidden problems.

ABOUT THE COURSE

Held at the Canadian College of Naturopathic medicine, this course is for doctors and students who want to practice Applied Kinesiology, the fast-growing speciality that more doctors are leveraging as a valuable addition to their profile in assessing and treating patients. The course consists of classroom instruction with a significant workshop component.

- Basic AK certification requires completing 100 hours of coursework. The program is a blend of classroom and hands-on instruction along with home study.
- Those wishing to be certified upon completion of the course can take the certification exam. The International College of Applied Kinesiology applies a standard fee for the exam. A certificate is awarded upon successful completion.
- Each weekend will be comprised of 20 hours of material (combined instruction and home study) for a total of 100 hours over the 5 weekend sessions.
- CE Credits for Ontario DCs and NDs may be possible (number of credit hours to be determined).
- A basic note package will be provided.
- It is highly recommended that all attendees purchase [Dr. David Leaf's Applied Kinesiology Flowchart Manual](#), a more in-depth and inclusive manual. For those wishing to read ahead, a reading list will be provided prior to each session based on Dr. Leaf's Flowchart Manual.
- The seminar will consist of classroom instruction with a significant workshop component.
- Prerequisite: Students must have completed second year of a professional program such as ND, DC or MD.

SAVE! Those previously completing a 100-hour AK Course with Dr. Grossman qualify to move down one pay category (example: from doctor → first-year doctor fee, first-year doctor → student fee). Applicable for single session and full course registration.

AVOID LATE FEE! Those registering within 14 days of start date ADD \$50 (+ HST) to total

* **Full course discounts:** For those paying for the entire course in advance, the full course discount fee is applicable when the five sessions are taken sequentially within each offering of the 100-hour course. There are no carry-overs to the next course offering. If there is a missed session, the full course discount fee will revert to individual weekend course rates and the refund will be pro-rated based on the regular single session prices relevant to the category (doctor, first-year doctor, student).

Refunds: Single session withdrawals: Full refund minus a \$50 administrative fee (no refunds after completing first day of program). Full program withdrawal: Refund is pro-rated based on the sessions remaining minus 20% administrative fee.

Courses are conditional based on sufficient enrolment. If a course is cancelled, liability is limited to a full course refund.
